To whom it may concern

The Wireless Access Providers' Association (WAPA), established in 2006, is a non-profit industry representative body acting as a collective voice for independent wireless service providers in South Africa. WAPA's primary objective is to ensure the sustainability of the license-exempt wireless access services market.

WAPA members are ICASA-licenced and follow a Code of Conduct in keeping with current regulations.

This document serves to confirm that KKCG-Investments (Pty) Ltd has joined WAPA as of December 2014 and is a full member of WAPA.

Their membership number is W279 / 2014.
